2.				<p>I see nothing in H.R. 2545 which would cause the Agency problems. It would be nice to be able to get in on the multi-year contracting authority they are proposing (Sec. 2301 (a)1, Page 2, Line 11, 12) but I don't think we can "adopt" it. I am presently wrestling with our current Agency authorities on this subject and it would be helpful to have some specific identification in our law.</p> <p>We forwarded a copy of H.R. 2545 to the C/PMS/OL for their review. They may respond directly or pass their comments through us.</p>
